

Beary Good Questions:

Q: Who is welcome to come and Build-A-Bear?

A: Anyone! You don't have to be a Girl Scout to make a new friend! Please see our walk-in hours on the brochure cover.

Q: Is the South Elgin location a full-sized Build-A-Bear store?

A: The South Elgin location is not a full-size Build-A-Bear store.* We are a smaller, specialized store featuring Girl Scout-themed bears and fun accessories, along with a very nice selection of everyday animals and adornments.

Q: Do you have an event room available for additional space?

A: Yes! We have a meeting room to accommodate up to 20 guests. This room would be available only for the duration of your event. Additional rental fee may apply.

Q: Can I bring food, cake, or party supplies/decor?

A: Yes, you may bring cake, food, party supplies, and decorations if you have reserved the additional room we have available. Some restrictions will apply. GSNI *does not* provide any décor, food, or party supplies (plates, utensils, cups, etc.)

Q: Can we use Build-A-Bear gift cards at the South Elgin location?

A: Unfortunately, GSNI is not authorized to take Build-A-Bear gift cards. However, we do sell council-issued gift cards available for use at the South Elgin location. By the way, these make great gifts, too!

**We are unable to match or offer discounts and promotions that you may find on the official Build-A-Bear website or in a full Build-A-Bear retail store.*
