Cadette/Senior Cookie Program Option

Cadette/Senior money vs. incentives is available to troops participating in the Cookie Program. The girls in your troop must discuss the options and decide as a group which option they want to take. They must all take the extra money or the incentives.

Option #1 - Troop takes the incentives offered just like the Brownie & Junior troops.

Option #2 - Troop takes 60 cents a box. This is an additional 5 cents per box, in addition to their 55 cents per box. Girls will still earn a participation patch.

After your troop has decided which option they want, fill out the bottom portion of this sheet and turn this sheet into your Service Unit Cookie Manager along with your Final Report.

Troop #: _____ Service Unit: _____

Cookie Manager Name: _____

Phone: _____
