### **GIRLS GO TECHBRIDGE—PROGRAMS –IN-A-BOX TRAINING [145]**

Discover how to deliver the Girls Go TECHbridge Programs-In-A-Box. Learn how to guide girls as they explore the wonderful world of engineering through hands-on projects and career exploration activities. We will complete the soldering activity in the "Power It Up", review the evaluation processes, and review the "Make It Green", "Design Time", "Engineers to the Rescue!" and "ThrillBuilders" leader guides. The Girls Go TECHbridge program is designed for girls in grades 4-12. this training will enable you to check out all of the boxes for your troop, service unit event or camp use!
