

Activities to help you reach your service unit cookie sale goal:

- Flier/Walk-About: Download the flier from our website to contact those in your neighborhood who may not be at home at the time of your visit.
- Encourage customers to purchase a “bundle” of cookies. \$20 will buy 5 of their favorite varieties!
- Booth sale: even if a troop did not participate in the initial ordering process, it can still help the service unit by setting up a booth sale and earn profits at the same time.
- Participate in the Troop Gift of Caring Program. (see flier)
- Promote the Gift of Caring Program for customers to send Girl Scout Cookies to our military.
