

Camper Contact Permission Form

As the parent/guardian of _____,

I hereby grant permission for my child to exchange the following contact information with a staff member(s):

Please check and initial each form of communication that the guardian grants permission for:

- | | |
|--|--|
| <input type="checkbox"/> Phone/Cell Phone Number | <input type="checkbox"/> Social Networking or Blog Address |
| <input type="checkbox"/> E-mail Address | <input type="checkbox"/> Postal Address |
| <input type="checkbox"/> IM Address | |

I understand that by granting this permission I as the guardian take full responsibility for any action, behavior, or situation that may arise from contact online, in person, or otherwise—that may occur between my child and a camp staff member as a result. I also fully recognize that the camp does not recommend their staff as babysitters, nannies, or child companions outside of camp; that the camp discourages their staff from having contact with campers after camp; and that the camp does not take responsibility for the behavior of their staff off-season. I also understand that this permission must be renewed each camp season and by the first day of the camp session. Permission will not be granted if received after the camper has already arrived at camp.

Camper Release Information

If the name of the person attempting to pick up your camper is not listed below, she will not be released until you have come to pick her up in person. This is a procedure we strictly adhere to for your camper's safety, recognizing that not every adult known to your camper has secured your permission to transport her.

Using the space provided below, please list the names of trusted adults whom you have authorized to pick your camper up from camp. If you plan to car pool, make sure that the pickup driver's name is included in this list. *The parent/guardian filling this form out must also list her/his name to be authorized for pick-up.*

Please inform any person who is picking your camper up that they will be REQUIRED to show identification in order to pick up the camper. This includes the parents/guardians. Campers will NOT be released without proper proof of identification.
