

Dear Girl Scout Families,

As a long-time member of Girl Scouts, each day I see the positive impact Girl Scouting has on girls. Girls gain important leadership skills, self-confidence, and make life-long friendships. In Girl Scouting, girls have the opportunity to explore careers, learn real-world skills, and experience the world around them. It is exciting to watch girls' smiles when they achieve their goals! Your support is key to their future!

Girl Scouts of Northern Illinois relies on Family Partnership Campaign donations from our Girl Scout families and volunteers to support programs that encourage girls to **Discover, Connect, and Take Action**. Did you know that it takes approximately \$275 to provide one year of program for each of the over 22,000 girls in Girl Scouts of Northern Illinois?

Your gift to the Family Partnership Campaign "Round-Up for Girl Scouts" supports the many things that GSNI needs to make each girl's experience complete, including:

- Programs to over 22,000 girls in our 16-county service area
- Screenings for all adult volunteers
- Leadership training curriculum and classes for all of our 5,500 adult volunteers
- Development of council-sponsored programs, summer camps, badge workshops, and girl engineering to sports, the outdoor environment, and healthy living choices.
- Four Illinois camp properties and two Wisconsin camp properties
- Four council service centers and five Girl Scout Shops
- Website and publications
- Membership development and support services to adult volunteers

Your support of the 2010-2011 Family Partnership Campaign is needed to help bring Girl Scouting to your Girl Scout's life and to the thousands of girls in Girl Scouts of Northern Illinois. Her Girl Scout experiences will last a lifetime. Please partner with GSNI and invest in her future by making a Family Partnership gift today—round-up your gift for the girls!
