UPDATE ON NEW PROGRAM

A Call for Artists and Inspiring Artists!

Join us for this exciting opportunity to create art and exhibit it at local art venues and libraries in McHenry County. Instructors will guide you through the technical and creative process of creating a completed piece of art during this two part program. Mediums offered include painting, pastels and collage. Artwork will be displayed in April and May and will be returned to those who participate. Girls will receive the Arts and Crafts Fun Patch for this program.
