### Information Regarding Waivers of Liability:

Although a waiver of liability may be required by a stable for your daughter to participate in horseback riding, Girl Scouts of Northern Illinois does not encourage or discourage your signing of such a waiver. The council does, however, want you to know that legally, a parent/guardian cannot waive liability for his/her child. Upon reaching the age of majority, the child has the right to sue the entity holding the waiver. Should the child win a settlement in a court of law, the defendant (holder of the waiver) could, in turn, sue the parent/guardian who signed the agreement. Please carefully consider your risk when making the decision to sign such a waiver and allow your daughter to participate in this activity.

Please see back side of this form for required clothing.
