PartyCakes PartyCakes is a unique cake decorating venue for children's birthday parties, camps, daycare, scout troops & just plain fun! Our Birthday Parties and Classes are held at the venue of your choice. The children will be decorating a 3D shaped cake and each child will bring home their creation in a bakery box so there is no additional cost for Treat Bags! They have 8 different cake themes to choose from. We include tablecloths, decorations according to the theme, aprons for the children to wear during the cake decorating and birthday candles.
