***Brownie Quest, A World of Girls,
Agent of Change***

Sometimes it can be hard to stand up for what you believe in or say what you really think, especially when there are bullies around. American Girl Chrissa Maxwell knows how hard it can be to stand up to bullies and do what you know is right. So let's get together for this girls-only event and learn how to stand strong. You'll get tips on how to stand up for what you believe in, help yourself or other girls who are being bullied, and make lots of new friends. You'll also get to see how Chrissa deals with the "Mean Bees" at her new school in the movie "An American Girl: Chrissa Stands Strong." Afterwards you'll get to take the SHINE pledge and make some cool accessories to show you won't stand for bullying. NOTE: If providing your own DVD there is no charge; materials can be printed by clicking on the program link above.
