Welcome to Girl Scouts of Northern Illinois (GSNI). All of us at GSNI are committed to helping you succeed as you begin your adventure. Thank you for becoming a volunteer.

Girls Scouts is the world's preeminent organization dedicated solely to girls—all girls—where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In partnership with committed adults, girls develop qualities that will serve them all their lives—like strong values, social conscience, and conviction about their own potential and self-worth.

You are ready to start your troop/group when:

- Your volunteer application, criminal background and reference check have cleared.
- You have completed online orientation.
- You have met with all members of the leadership team for the troop/group and planned your first meeting.
- You have scheduled and held a parent/girl registration/information meeting. All participants should register at this time.
- You can begin to meet with your troop/group; however your registration packet must be turned into the service unit registrar within two weeks of your first meeting.
- Received appointment letter.

You will still need to:

- Register for Volunteer Essentials and Leadership Essentials training.
- Your additional volunteer leaders must have completed the volunteer application and required training.

Don't forget to have fun and when in doubt ask! Help is just a phone call away!
