

2017-18
GIRL SCOUTS OF
NORTHERN ILLINOIS

Annual Report

girl scouts of northern illinois

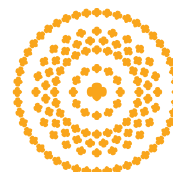

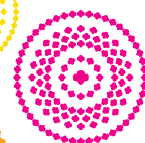

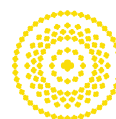

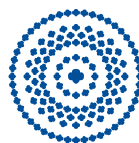

At Girl Scouts of Northern Illinois, we're always moving at the speed of girl! Each year, we see increased opportunities to advocate for girls, new ways to customize our program, and better avenues for our girls to lead the way. Our annual report allows us the chance to look back with you—our Girl Scout friend and supporter—at all we've accomplished together.

In 2017–2018, we proudly completed the Long Range Property Plan for our four camps with Brandstetter, our corporate partner. This allowed us to plan for local Town Halls to inform our key stakeholders on upcoming camp changes and begin making strategic camp investments for 2018–2019.

We were on the move this year! We opened new Girl Scout Resource Centers in South Elgin, Lake Zurich, Freeport, and successfully relocated to a

spacious new site in Rockford. All our new and redesigned Girl Scout Resource Centers are part of our continuing blueprint to be more visible in the communities we serve and offer increased convenience for our supportive families and valuable volunteers. In our new centers, members and visitors can visit our council stores, join or renew their membership, get their questions answered, book activities, and have meetings. By being highly visible,

relevant, and accessible in our communities, we'll continue to serve girls and grow our presence and membership.

Our enterprising girl members saw an increase in their troop cookie proceeds and overall cookie revenue in 2017–18, due to their hard work marketing their small businesses as young

entrepreneurs. This was especially noteworthy, since the price per cookie box was raised to \$5 per box. The girls used their 5 Skills of goal setting, money management, decision making, people skills, and business ethics to end the cookie season on a high note with more girls and troops having the funds to make

a difference with community service projects, travel opportunities, and troop activities!

2017–18 also saw us strengthen our focus on older Girl Scouts, ages 11 and up, which led to more diverse programs targeted to girls' interests along with more girls earning Girl Scouts' Highest Awards of the Girl Scout Bronze, Silver, and Gold Award. We also hosted Unleash Strong—our first-ever council-wide recruitment day in August 2018 with a special concentration on STEM.

Over the Edge 4 Girl Scouts, our first endeavor

at adventure fundraising, was a rousing success! We watched in wonder as over 50 people went “over the edge” and rappelled 16 stories down the Pheasant Run Resort tower to raise money in support of our financial assistance fund. The event was so popular, we've brought it back for another year!

We did face some hurdles this year with an overall population decline in our geography, increased competition from other youth programming, and a decline in our membership after two years of consistent growth. We heartily welcome your support as we face the possibility of another challenging membership year!

As we look forward to this year, we are energizing our efforts on our unique, girl-centered leadership pathways! Our Girl Leadership pathway focuses on mentorship of younger girls in the troop setting through Junior Aide, Leader in Action, Cadette Program Aide, and Volunteer in Training; and in the outdoor setting through Cadette Program Aide and Counselor in Training. Our Community Leadership path focuses on the leadership skills of project management and team leadership and culminates in our Highest Awards of Girl Scout Bronze, Silver, and Gold. All three awards challenge girls to complete pre-requisites and then develop and implement a sustainable project to solve an identified problem in a community

We've got a lot to cheer about as we look back and as we look ahead! We're enthusiastic to see more badges added to the Girl Scout collection, especially those related to STEM and the outdoors. We're eager to add more Preferred Partners in our community, along with local and state park collaborations. Best of all, we'll celebrate our success as Girl Scouts of Northern Illinois at 10th Anniversary parties throughout the council, appreciate improved summer camp programming, and complete

renovations on our new Rockford Resource Center—all in 2019!

Take a moment and revisit our success through the pages of our annual report. We appreciate all you do to support Girl Scouts of Northern Illinois in your community as we place girls at the center and watch them lead the way!

Our Mission

*Girl Scouting builds girls of

GSNI Highlights

GSNI Outreach

Nearly 2,000 low-income and underserved girls participated in GSNI's outreach programs in the communities of

Aurora, Boone County, Carpentersville, DeKalb, Elgin/U-46, McHenry, Rockford,

Freeport, and Sterling/Rock Falls. Girls engaged in a variety of Girl Scout Leadership Experience programs, from learning how to make new friends to financial literacy to learning how to think like a citizen scientist!

Girl Scout Highest Awards

Between March 16, 2017–March 15, 2018, GSNI honored 20 new Gold Award Girl Scouts! The Girl Scout Gold Award represents the highest achievement in Girl Scouting and recognizes girls in grades 9 through 12 who demonstrate extraordinary leadership through sustainable and measurable Take Action projects.

Over the Edge 4 Girl Scouts

GSNI's inaugural Over the Edge 4 Girl Scouts event was held on June 2, 2018, at Pheasant Run Resort in St. Charles, Illinois. The weather cooperated perfectly, and it was a splendid day for rappelling! There were 54 people who took part in the thrilling outdoor adventure, earning the opportunity to rappel by each raising \$1,000 or more.

In addition, dozens of volunteers checked in rappellers, helped them gear up, led them to the roof, and steadied their ropes when they came down, all which ensured a great experience for the rappellers and success of the event!

Since outdoor adventures are so important to Girl Scouts, it was only

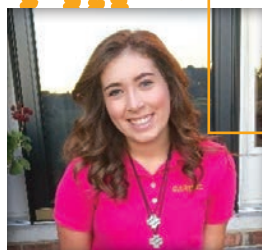

natural to choose Over the Edge as the new FUNdraising event for GSNI! Although there were some knocking knees on the rooftop, our rappellers reported increased confidence and the making of amazing new memories. Spectators seemed to have almost as much fun cheering on the friends and family they came to watch!

GSNI hosted Over the Edge 4 Girl Scouts to raise money for our financial assistance fund. Each year, GSNI awards \$100,000 or more in financial assistance, which includes membership, troop dues, uniforms or books, camperships, and program assistance—all so girls in need can participate fully in the Girl Scout Leadership Experience! Over the Edge 4 Girl Scouts brought in nearly \$80,000 from participant fundraising efforts, sponsors, and in-kind donors, surpassing our initial

“Through Girl Scouts, I have had the opportunity to try so many new activities that I might not have had the opportunity to try if not in Girl Scouts, and it is through trying, failing, and succeeding that a child grows into a confident young adult.”

MEGAN B.

goal of \$66,000 for the first year of the event! As a result, more girls are now Girl Scouts and learning new skills, taking on challenges, and making the world a better place!

Choose Your Adventure Expo II

Building on the popularity of our successful Choose Your Adventure Expo in 2017, we held Choose Your Adventure Expo II in the fall of 2018. This exciting day encourages participants to experience outdoor camp activities with over 50 stations packed full of hands-on fun for girls, resources for parents, and the opportunity to check out our fascinating Preferred Partners! The event sold out for the second year in a row!

Our Vision

Girl Scouts of Northern Illinois will be every girl's first choice for developing her own leadership potential through meaningful opportunities and relationships.

Over 20 volunteer-led day camps served a total of 1,400 girls in 2017–2018!

Volunteer-Led Day Camp

Volunteer-led day camp continues to be successful throughout GSNI in areas such as Barrington, Belvidere, Harvard, Lake Zurich, Morrison, Mt. Morris, Roscoe, St. Charles, and Volo.

Thin Mint Sprint

Thin Mint Sprint is the longest-running GSNI fundraising event, originally started by the Girl Scouts–Rock River Valley Council. 2018 marked the 14th annual Thin Mint Sprint on September 29, along the scenic trails of the Cherry Valley Path and Baumann Park in Cherry Valley, Illinois.

Nearly 350 runners and walkers took part in either an 8K run, 2-mile run, or 2-mile walk. The highlight for many was the Faster than Fiona Challenge, with many girls achieving their goal to cross the 2-mile run finish line before GSNI CEO, Fiona Cummings.

A troop fundraising opportunity was added to the Thin Mint Sprint in 2017, with participation growing significantly in 2018! This gives GSNI troops the opportunity to raise money for their activities, as well as support the programs and activities of GSNI.

Thin Mint Sprint has a dedicated volunteer committee that organizes the event each year, with co-chairs who have led the way since the beginning. Volunteers are at the heart of Girl Scouts, and the Thin Mint Sprint is no exception. From marking the trail, checking in participants, directing runners on the course, and handing out awards, this event could not happen without the dedicated volunteers who help out each year.

With registration, troop fundraising, sponsorship, and in-kind donations, the 2018 Thin Mint Sprint brought in just over \$43,000 in support of the programs and activities conducted by GSNI for the good of our members!

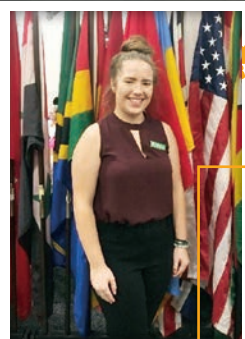

Recruitment

We're engaging our potential members in new ways, including digital campaigns stretching across our entire geography! We successfully implemented our first-ever council-wide recruitment day, Unleash Strong, on August 29, 2018, where we hosted multiple hands-on events with sensational activities for potential girl members throughout the council!

Super Seller-bration

Super Seller-bration—our signature event held at Camp McCormick every year—was another huge success with over 250 girls earning an invitation to attend! This has become a highly desirable reward event for our young cookie entrepreneurs with 500+ boxes sold during the cookie program. The girls who attend this event enjoy numerous activities from archery to rock wall climbing and a chance to make s'mores. The entire day is filled with fun and adventure!

"I give the credit to Girl Scouts for the woman I am today. Girl Scouts showed me that I can stand true to my beliefs, be a woman, pursue my dreams, and be successful at it all."

LAUREN P.

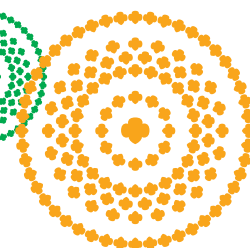

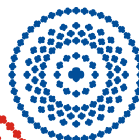

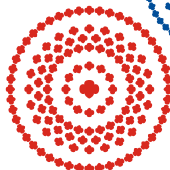

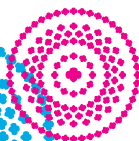

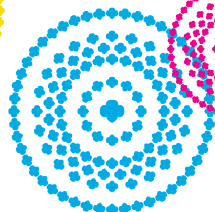

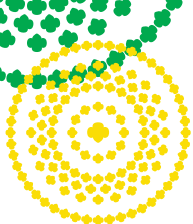

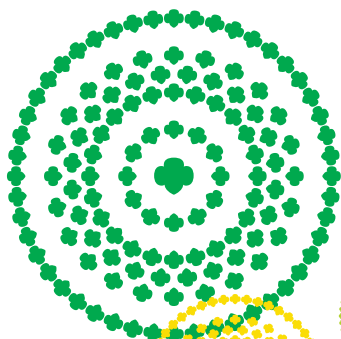

The Juliette Gordon Low Society was established to thank and honor friends of Girl Scouting who choose to make Girl Scouts part of their legacies and a beneficiary of their estate plans.

"Yes, life gets more hectic for older girls, but flexibility is the key. My troop meets once a month. Sometimes our meetings take place at Panera or Starbucks, because the girls can get something to eat or drink. They enjoy a more 'older girl' relaxing atmosphere. Some meetings even take place on a weekend where the girls have a sleepover and work toward completing a badge or take part in a community service project together." TROOP LEADER

“Moving into high school, I am so glad I stayed in Girl Scouts. We have done more than ever in our quest to help the world. My best friends are the ones who have traveled this journey with me. I have grown past that shy, timid kindergartener into a young woman who is not afraid to stand up and yell to the world what I think is right. I have experienced this world in ways I never could have and have helped people I would have never known.”
