# What is GSNI?

## Girl Scouts of Northern Illinois

At GSNI, we believe every girl can change the world! With us, Girl Scouts develop the independence and confidence to guide their own lives and make the world a better place. We put girls in the driver's seat and encourage them to customize their own

experience! Every girl has the opportunity to unlock her own potential and be amazing through programs focused on the outdoors, career and interest exploration, travel and the global community, and practical life skills.

## Individually Registered Program - Juliette Girl Scout

**Girl Scouting can be custom-made just for YOU!**

Juliette Girl Scouts are girls who are Individually Registered Members. They are busy, independent, and self-confident girls who want to be part of something bigger than themselves! As an Indie Girl Scout, you can have an awesome time doing a Badge Explorer, choosing Big Book activities, giving community service, participating in Girl Scout Cookie and Fall Product Programs, attending local service unit activities, and going to camp. You'll decide what activities you'll join, what skills you want to learn, and which recognitions and awards you want to complete, all at your own pace. Any girl in grades K-12 can join Girl Scouts as an Indie Girl Scout. It's a way to stay connected, complete badges or Journeys, and attend events in your area!

### The Girl Scout Promise

On my honor, I will try:  
To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

\*Members may substitute for the word God in accordance with their own spiritual beliefs.

### The Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

**GSNI**

### The Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong, and  
Responsible for what I say and do,  
and to  
respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place,  
and  
be a sister to every Girl Scout.

## Juliette Girl Scout Programs for all Age Levels

Any girl in grades K-12 can choose her adventure in Girl Scouts! Whether she wants to sign up for an exciting series of events, explore the outdoors, or travel the world, each level has something just for her!

DAISIES  
K & 1ST

**Girl Scout Daisies** sparkle with that “first time ever” newness in everything they do. They go on trips, learn about nature and science and explore the arts and their communities – and so much more. Girl Scout Daisies can also earn Learning Petals and receive participation patches.

BROWNIES  
2ND & 3RD

**Girl Scout Brownies** earn badges and explore their community. Friendship, fun, and age-appropriate activities begin individually and then move out to the community and wider world. While earning badges, they build skills, learn hobbies, and have fun!

JUNIORS  
4TH & 5TH

**Girl Scout Juniors** are big-idea thinkers. They’re explorers at camp and product designers when they earn their Innovation and Storytelling badges, or even their Bronze Award. Every day, they wake up ready to play a new role.

CADETTES  
6TH - 8TH

**Girl Scout Cadettes** chart their own course and let their curiosity and imagination lead the way. They learn about the power of being a good friend, gain confidence mentoring younger girls and can earn the Silver Award.

SENIORS  
9TH & 10TH

**Girl Scout Seniors** are ready to take the world by storm, and Girl Scouts gives them millions of ways to do it. Their experiences help to shape their world, while giving them a safe space to be themselves and explore their interests. Girl Scout Seniors can earn their Gold Award (which, by the way, adds something “extra” to college applications).

AMBASSADORS  
11TH & 12TH

**Girl Scout Ambassadors** know that small acts create big change. While they get ready for life beyond high school, Girl Scouts helps them take flight. They also earn the Gold Award (which, by the way, adds something “extra” to college applications).

## Membership Dues

Girl Scouts of the USA (GSUSA), our national organization, requires a \$25 non-refundable, non-transferrable annual fee to register as a girl or adult member. This payment goes directly to GSUSA headquarters in New York to provide program development and council support services. Registered members are covered by GSUSA's accident insurance when participating in Girl Scout activities. Financial assistance is available for membership dues for girls who are unable to pay. In this way, we are committed to providing all girls the opportunity to participate in Girl Scouts. Parents, guardians, and other adults are also invited to become members of the Girl Scout Movement!

## Financial Assistance

Financial Assistance is available to girls to provide for membership dues and official Girl Scout uniforms. Summer camp also has financial assistance available. A limited amount of event financial assistance is available and girl participants may request up to \$15 twice per membership year for event financial assistance. Requests are considered in the membership year the event is being held, not the date submitted. If requesting financial assistance for an event, please submit a completed financial assistance request with the event registration form. The financial assistance request form may be found on [www.girlscoutsni.org/forms](http://www.girlscoutsni.org/forms).

*Please remember the best way for girls to fund their own experience in Girl Scouts is through participation in the Girl Scout Fall Product and Cookie Programs. For more information, call 844-GSNI-4-ME.*

## How to Register for Events

Registration and payment may be:

- Completed online at [www.girlscoutsni.org/](http://www.girlscoutsni.org/) activities, unless otherwise noted.
- Mailed to: Rockford Resource Center, 1886 Daimler Road, Rockford, IL 61112.
- Called in to 844-GSNI-4-ME.
- Hand-delivered to any GSNI Resource Center during regular business hours.

*Registering online is the fastest way to ensure your spots are secured! Paper registrations are entered in the order they are received, and there may be a delay in this process during peak times. Registrations must be received by the deadline date. No spots will be held without payment.*

## Event Confirmation

A confirmation will be emailed to all participants shortly after the closing registration date. If you have not received a confirmation three days prior to the event, please contact Customer Care at 844-GSNI-4-ME or [customercare@girlscoutsni.org](mailto:customercare@girlscoutsni.org).

## Event Cancellation

If an event does not meet the minimum registration by the deadline date, GSNI reserves the right to cancel the event. Participants will be notified via email.

## The Girl Scout Uniform

Uniforms are an important part of the Girl Scout experience, connecting girls to Girl Scout traditions, displaying their accomplishments, and creating memories to last a lifetime. Girls want to look and feel their best when

representing Girl Scouts. Uniforms must be worn for parades, flag ceremonies, and official occasions, and are encouraged whenever possible. You can purchase sashes or vests, and insignia from one of the resource centers. Financial assistance for uniform components is available for girls that qualify.

**Visit one of our resource center locations to purchase uniforms, starter kits, and much more! Our Resource Specialists are here to help!**  
**Or shop online by clicking SHOP in the top-right corner of [girlscoutsni.org](http://girlscoutsni.org).**

# Girl Scout Program

## What is the Girl Scout Program?

At Girl Scouts, girls have tons of fun, make new friends and go on fantastic new adventures. Our program centers on something called the Girl Scout Leadership Experience - a collection of activities and experiences girls have as they complete journeys, earn badges, sell cookies, go on exciting trips, explore the outdoors, and do Take Action projects that make a difference.

**In Girl Scouts, girls will:**

### Discover

Find out who they are, what they care about, and what their talents are.

### Connect

Collaborate with other people, locally and globally, to make a difference in the world.

### Take Action

Do something to make the world a better place.

### Journeys

Identify a problem, come up with a creative solution, create a team plan to make the solution a reality, put a plan into action, and talk about what they have learned. As girls go on Journeys, they'll earn awards to put on their uniforms.

The Volunteer Toolkit and Journey books are your resources for the requirements to earning awards.

### Badges

What have your girls always wanted to do?

Make their own movie, go geocaching, plant a garden? Great news! They can learn to do all these things and more while earning Girl Scout badges. Badges are worn on the front of the vest or sash.

The Volunteer Toolkit and Girl's Guide to Girl Scouting are your resources for the requirements to earning badges.

**GSNI**

### Highest Awards

#### Bronze. Silver. Gold.

These represent the highest honors a Girl Scout can earn.

All three awards give girls the chance to do big things while working on an issue they care about. Whether they want to plant a community garden and inspire others to eat healthy for their Bronze, advocate for animal rights for their Silver, or build a career network that encourages girls to become scientists and engineers for their Gold, they'll inspire others (and you!).

### Patches

Think of patches like collecting memories in Girl Scouts. They're often a part of the fun activities you can do in Girl Scouts without the requirements of badges. Patches are always worn on the back of the vest or sash.

Each year, Destination sponsors (Girl Scout councils and travel groups) offer different trips providing amazing opportunities for girls! Girls will make Girl Scout friends from all over the world as they experience inspiring, life-changing travel within the United States and abroad. Girls submit their applications and are approved by event sponsors.

Whether girls are interested in cultural experiences, conservation efforts, career exploration, or participating in a service project, check out the GSUSA Destination web page! Travel opportunities will be posted by mid-September, 2018. Round 1 applications are due mid-November, 2018, and final Round 2 applications are due the beginning of February, 2019. ### Community Service Bar

Girl Scouts who are very active make a difference in their communities. To earn this award, girls choose a community organization to work with (check with Customer Care for approved organizations), receive instructions, and complete at least 20 hours of service.\*\*

### Service to Girl Scouting Bar

Girls at this level often volunteer to help at special events at the service unit or council level with younger girls or other special projects. Once a girl completes at least 20 hours of service, she is eligible to earn this award. \*\*

\*\* hours of service girls use to earn these awards must be separate from those used towards other awards.

### Torch Awards

There are two steps to earn this award – complete one journey and serve for one full term in a leadership position.

Silver Torch Gold and Silver Torch Gold Torch

### Days of Service

GSNI is excited to offer two new organized service events for Girl Scouts this year:

- **Saturday, March 16, 2019** – Making Hunger the History of Tomorrow at Feed My Starving Children
- **Saturday, April 13, 2019** – Global Youth Service Day at Northern Illinois Food Bank.

## Other Awards

### Summit Award

This award is earned by completing three Journeys in a level.

### Bridging Award

Girls earn this award by completing two steps—Pass It On and Look Ahead.

### Safety Award

Each Girl Scout level has its own set of requirements to teach girls how to stay safe at home, at school, and in their community. As girls get older, they share what they have learned with younger girls and develop safety plans to share with families and friends.

## Girl Scout Bronze, Silver, and Gold Awards

Girl Scout Bronze, Silver, and Gold Awards  
The Girl Scout Bronze Award, Silver Award, and Gold Award are Girl Scouting's highest honors. To receive these awards, girls must meet requirements and complete special projects benefiting their communities. As girls pursue their awards, they put the Girl Scout Promise and Law into action!

### The Girl Scout Bronze Award

This award recognizes Girl Scout Juniors who have gained the leadership and planning skills required to follow through with a project that makes a positive difference in their communities!

### The Girl Scout Silver Award

Going for the Girl Scout Silver Award, the highest award a Girl Scout Cadette can earn, gives girls the chance to show they are leaders who are determined and dedicated to improving their community. Cadettes can begin to work on their Girl Scout Silver Award once they complete a Cadette Journey.

### The Girl Scout Gold Award

The Girl Scout Gold Award is the highest award a Girl Scout can earn! It focuses on a personal journey through leadership skills and service. Girl Scout Seniors and Ambassadors are eligible to earn the Girl Scout Gold Award. This prestigious award gives young women an advantage when applying to colleges and for financial scholarships. Gold Award Girl Scouts are also raised one rank in any of the U.S military branches!

# Juliette Product Program

## Girl Scout Product Programs for Juliettes

Girl Scouts of Northern Illinois offers two annual product programs that Indie Girl Scouts can fully participate in:

- **Girl Scout Fall Product Program**
- **Girl Scout Cookie Program**

Juliette Girl Scouts will receive program materials, take orders, submit orders, and pick up products for delivery at her service unit or local GSNI Resource Center. Juliette Girl Scouts can also earn recognitions, such as fun patches, S'more Cash, Cashew Cash and Cookie Dough (in lieu of troop proceeds)—vouchers which can be used to support Girl Scout service projects, activities, and other girl-led adventures!

All cookie proceeds remain local! For every box of cookies sold by a GSNI Girl Scout through the cookie program, approximately 50% supports all GSNI council programs and properties, 22% supports local troops through troop proceeds and girl rewards, and 28% covers the cost to the baker for cookies, delivery, software support, and marketing development.

**YOUR COOKIE PURCHASE**

**AMAZING EXPERIENCES FOR GIRLS**

### The 5 Skills: Shaping Your Girl's Future

GOAL SETTING	DECISION MAKING	MONEY MANAGEMENT	PEOPLE SKILLS	BUSINESS ETHICS
Girls set personal goals, develop a plan to reach them, and track their progress.	Girls play an active role in deciding when and where to sell cookies or fall product and how they wish to use their Cookie Dough, Cashew Cash, or S'More Dough.	Girls develop a budget, manage customers' money, and develop practical life skills.	Interacting with people face to face and through online platforms, such as Digital Cookie, helps girls build healthy relationships and social skills that can be used in day-to-day life.	By being honest, trustworthy, and treating people fairly while participating in product programs, positive values are reinforced that will carry on throughout girls' everyday lives.
