

The New Rallyhood App Is Here!

Download It Today!

We are excited to announce the new version of the Rallyhood app is here. Now it is easier, snappier, and more fun to stay engaged and organized around your groups on the go. Together, we can do great things!

ONE app with all the tools you need.

All your groups organized in one place.

Manage events and collect payments.

Store, share, and archive folders and files.

Privately or publicly share photos and albums.

- Now you can use **@Mentions** in Message Wall Posts to tag your colleagues and they will receive an email and app **Notification**.
- Now there's a **View Count on Every Message**, so you can be more in-the-know about which messages are resonating **most**.
- Now you can login and stay **Logged Into Your Account**, so you are always connected.

- New **Faster and More Responsive Experience** that is easier and snappier than ever before.
- Newly fixed bugs and design updates will give you an even better experience.
