We are planning on taking part in money earning projects to help offset the cost of this trip**

****All money earning projects require a separate Money Earning Application which can be found on the GSNI website.**

The Money Earning Application must be turned in to Pam Schnecke at the Elgin Service Center no later than one month prior to the date of the money earning project.

*Trips lasting more than three nights are not covered by the Girl Scout Basic Activity Accident Insurance. You **must** take out additional activity insurance through GSNI. This plan would cover the entire period of the event for all participants. Contact Customer Care at 844-GSNI-4-ME or customer care@girlscoutsni.org.

Arrangements must be made to obtain the written consent of parents/guardians for every girl who wishes to participate and complete the Permission to Travel for Minors form. Emergency medical release, annual medical history and medical examination record (if needed) for each girl must be included in the troop first-aid kit and taken on the trip.

We are familiar with the policies and procedures pertaining to Girl Scout travel and activities, and have made our plans accordingly.
