

Our Girl Scout Gift from GSNI

GSNI is offering the option for new and returning members to join using GSNI's Girl Scout Gift of membership from April 8—May 12, 2021. This gift is one way we are supporting girls and families during challenges they may be experiencing in part due to COVID.

There's More! Past members who were members during our 2020 Membership year, are also able to accept Our Girl Scout Gift with an Extended Membership to participate in not only this current year but also membership year 2022. (A\$35 value!)

If you (or a friend) would like to take advantage of our gift, GSNI will pay the membership fee to GSUSA on your behalf. Here's how to do it:

1. **New Members**—Head over to GSNI's Join Page and register online! Select an Extended Membership then select Financial Aid for your payment type. This allows GSNI to pay for your Girl Scout Membership to GSUSA on your behalf.
2. **Lapsed Members***—If you currently have a MYGS Account but not an active membership, head over to GSNI's website and log into your MYGS Account. Then choose those in your household you wish to register and choose Extended Membership. Then select Financial Aid for your payment type. This allows GSNI to pay for your Girl Scout Membership to GSUSA on your behalf.

GSNI is happy to give Our Girl Scout Gift to our girls, volunteers and families, if you prefer to pay the membership fee directly to GSUSA, you may do so beginning April 1 by registering online and using a credit card. If you choose to pay your membership fee, we thank you as GSNI can then direct funds not spent on the gift to other areas of support for our members. If planning to accept the gift, DO NOT make a payment as payments are non-refundable. If you have difficulties with taking advantage of the gift, please reach out to GSNI's Customer Care at 844-476-4463.

*Lapsed members might need to reset their password before logging in.
