- Girl Scouts collect additional cookie orders from customers using a regular* or Cookie Craver order card. **Payment is collected at the time of the customer's order.** *Online orders cannot be submitted as part of this activity.
- Girl Scouts/Parents/Guardians complete the Cookie Craver Submission Form including the total number of packages needed and bring **with full payment** to a Council Cupboard (number of packages sold x \$5 each). Any checks need to be payable to Girl Scouts of Northern Illinois (GSNI).
- Cookie Craver Submission Forms can ONLY be processed at a Council Cupboard during regular cupboard hours. Council Cupboards are located at the South Elgin, Rockford, Oswego, and Freeport Resource Centers. Lake Zurich Resource Center is available for Cookie Craver ONLY.

- The Cupboard Manager will pull the cookie packages needed, count out with the Girl Scout/Parent/Guardian and issue a receipt for the cookies received.
* **NOTE:** S'mores and Toffee-tactics may not be available at the cupboards and should not be sold through this process.
- Girl Scouts with a Cookie Craver submission of 18 or more packages will receive the Goal Getter Patch (pictured above). Maximum of one (1) patch will be issued regardless of number of Cookie Craver Submission Forms entered.
