Mask up and make it fashion

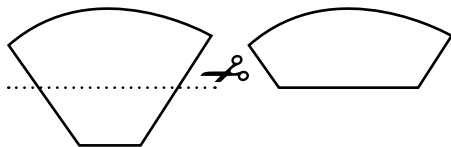

Make your face mask a fun fashion statement! Girls can follow the instructions below to create their own stylish masks using the Cooling Fabric Bandana they earned last season – or another bandana of their choice!

For a cool personal touch, girls can add decorations using brightly colored fabric pens and a few ribbons.

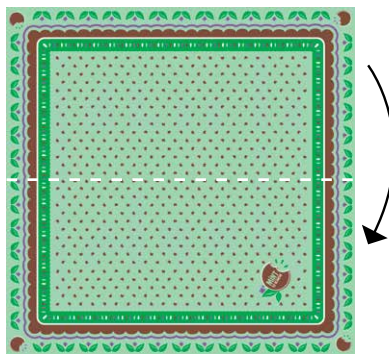

Supplies:

- Bandana
- Coffee filter
- Two hair bands

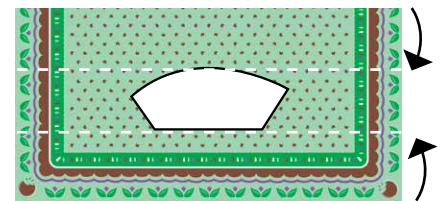

Steps

1 Cut coffee filter in half.

2 Fold bandana in half.

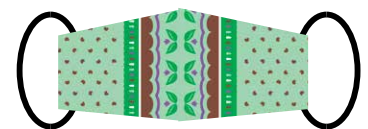

3 Place coffee filter in center of bandana and fold top and bottom in, overlapping with each fold.

4 Thread folded bandana ends through two hair bands, one at each end.

5 Fold ends into the center.

6 Spread out the top and bottom of the mask to be sure it covers both your nose and mouth.

7 To wear mask, loop the hair bands around your ears, again, being sure to cover both your nose and mouth.

Face mask is not approved by the CDC.
