GSNI Product Program Team will be sending weekly Cookie Chats with reminders, tips, and resources to assist with your Girl Scout's journey through the 2023 Cookie Program. The emails also will be posted on our [website](#). In this issue:

- Welcome and Go Bright Ahead
- Cookie Program Resources
- Digital Cookie customer list issue
- 2023 Cookie Program Updates

Welcome to the 2023 Cookie Program where Girl Scouts can **Go Bright Ahead** as entrepreneurs and develop lifelong skills! Girl Scouts can utilize both in-person and Digital Cookie (for girl delivery and donation orders) selling methods through January 28, 2023, for this Initial Order segment of the Cookie Program.

The [Cookie Program resources](#) page of the GSNI website is not just for volunteers! There are Digital Cookie tip sheets for parents, [family newsletter](#), [cookie nutrition labels](#) and [allergen information](#), tools such as [door hangers](#) and [donation receipts](#), [Girl Scout activities](#), [badge and pin information](#), and so much more! Just go to www.girlscoutsni.org/cookieresources!

We have received questions from parents regarding missing past customer information in Digital Cookie. GSUSA is aware of the issue and working on a fix. They anticipate having a fix in place by early next week.

As [emailed](#) on November 30, 2022, the ability for customers to place a Digital Cookie shipped order will not be available until Monday, February 27, 2023. This includes the ability to purchase the new Raspberry Rally cookie. For more information on this and future updates as needed, please go to 2023 Cookie Program UPDATES on the drop-down menu at www.girlscoutsni.org/cookieresources.
