Cookie Business Challenge!

This challenge is the perfect opportunity to partner your business with the Girl Scout Cookie Program—the largest Girl-Led Business in the World!

Join Dr. Thompson from [Conlon and Thompson Orthodontics](#) in McHenry and [Hurley & Volk Orthodontics](#) in South Elgin in this challenge.

What is the challenge? Invite Girl Scout troops in your community to visit your business in uniform for a group picture and purchase a case (12 boxes—\$60) of cookies from the troop. Post the pictures on your social media outlets and tag Girl Scouts of Northern Illinois. GSNI can help promote your business's participation to Girl Scout troops in your community.

When do you offer? Offer as a one day event or throughout the remainder of the Cookie Program (which ends March 17). Share the cookies purchased with your customers or donate to local charities. You can even make a donation purchase from the Girl Scout troop and they can donate to military troops and first responders.

Ready to accept the challenge? Create your own parameters and let us know! Tag Girl Scouts of Northern Illinois in any social media promotions and we will also send out details to troops in your community. Questions, or to accept the challenge, contact GSNI Product Program Team at cookies4you@girlscoutsni.org or call 847-214-9295.
