Page 1 of 1

Personalize your face masks to celebrate Girl Scout Cookie Season! Whether it's at a drive-thru or pop-up cookie booth, you can show your love for Girl Scout Cookies with these add-on mask decorations. Use what you have and up-cycle.

## Supplies:

- Face mask
- Shape templates
- Non-toxic fabric markers
- Ribbons or feathers\*
- Scissors
- Felt
- Needle and thread, as needed

*\*We do not recommend using small items that may be a choking hazard. We suggest only using materials that can be washed.*

## Steps

- 1 Print shape templates on 8.5"x11" printer paper or draw your own shapes. Cut out pieces and trace them on felt or fabric. Cut out and sew, rather than glue, them on your face mask.
- 2 Use non-toxic fabric markers to write your name or other message on your mask. Mask can be washed before use for added safety.
- 3 Tie ribbons, feathers and/or beaded string to the straps of your mask being sure they don't weigh down the straps and compromise the effectiveness of the mask. Remember to think of safety first.
