A Note from Kari

Hello, GSNI! It is with excitement for Chief Operating Officer Holly Bartelt that I announce her upcoming retirement, effective October 1, 2024. Holly is looking forward to this next chapter where she and her husband will be moving to spend more time with their grandchildren. I hope our members can find a moment in the upcoming months to share best wishes with Holly as she has done so much for Girl Scouts in her nearly 20 years of service.

With Holly's departure, I am delighted to announce Kris Trusk as our new Chief of Belonging and Member Engagement! To be fiscally responsible in this difficult economy, Kris will be absorbing Holly's responsibilities along with keeping her own current initiatives. As most of you know (or will soon learn), Kris has almost two decades of experience in all things Girl Scouts and will provide guidance and support in growing and retaining our membership in a welcoming and "You Belong Here" environment.

While many of our members take a short break over the summer to enjoy family time and other exciting events, I'm grateful for the opportunity to visit our camps and witness our young members challenging themselves in new and fun ways. GSNI is incredibly fortunate to have members, staff, and supporters who put in many hours and days to ensure our camps are a welcoming place for all!

Yours in Girl Scouting,
Kari L. Rockwell

Volunteer Spotlight

"Girl Scouts is a 'sisterhood' unlike any other, and so many of these girls develop lifelong friendships and bonds which is incredibly rewarding to see. Watching the joy on their faces as they partake in activities, whether it be camping, horseback riding, robotics, floral arranging, or other activities, it is yet another reason that Girl Scouting keeps me motivated." Hear more from Michelle Shakespeare-Funfsinn, our most recent Volunteer Spotlight Award recipient.

Freeport Resource Center News

It is with great sadness that we announce the upcoming closure of our Freeport Resource Center on Friday, June 14, 2024. This was a very difficult decision made over the past few months and has been influenced by low sales, increased rent and utilities, and other revenue challenges. While we are closing the Freeport Resource Center, we are staying a part of our local community. It is our intention to provide a great level of support to our existing membership in Freeport and the surrounding towns. We are so grateful for our members who shopped and gathered at the Freeport Resource Center and their years of Girl Scout support.
