

Council Approval: May Be Required. A Certificate of Insurance (COI) may be required of venue for Council approval, as listed below.

Activities Permitted for: See *Activities at a Glance* for grade level permissions.

Includes:

- STEM, Arts, Crafts
- Land sports
- Skateboarding
- Laser tag
- Segway

About Miscellaneous Activities

STEM, Arts, Crafts. From crafting and the arts to STEM projects, Girl Scouts create, develop, and engage in a variety of projects. The activities are broad and varied and can include painting, pottery, beading, sewing, astronomy exploration, and engineering design and investigation, to name just a few.

Land Sports. Depending on location, these sports can be played year-round or during a specific time of year, indoors or outdoors. The category is intended to include all land sports, including soccer, basketball, flag football, softball, hockey, basketball, tennis, and more.

Laser Tag. This popular activity usually takes place at an indoor venue but can be done outdoors as well. This tag game is played by using laser guns with infrared beams. Laser tag vests or other types of specific clothing may be used and, if so, are available at the facility. This is a fun and exciting way to learn teamwork and good sportsmanship as well as healthy camaraderie! A Certificate of Insurance from venue will be required for Council approval.

Segway. A Segway is a personal transportation device that has become very popular in tourist areas. It is an automated standing cartlike machine with two wheels and a steering bar. Not quite driving, but close to it. Helmets are worn for Segway and this activity is recommended only for Seniors and Ambassadors. A Certificate of Insurance from venue will be required for Council approval.

Skateboards. Skateboarding is a land activity in which a person can ride in a standing or crouching position using a variety of boards and wheels and propelling themselves by occasionally pushing one foot against the ground. Helmets and wrist guards are required. A Certificate of Insurance from venue will be required for Council approval.

Equity. Consider the history, culture, and past experiences of the Girl Scout members in your troop that could affect their ability to equally participate in an activity. Work with members and families to understand how an activity is perceived. Ensure that all Girl Scout members and their families feel comfortable and have access to whatever is needed to fully participate, such as proper equipment, prior experiences, and the skills needed to enjoy the activity. See the Equity section of the [Introduction to Safety Activity Checkpoints](#) for general advice about expense,

Emergency Action Plan (EAP). Review and document your Emergency Action Plan (EAP) before starting any activity and review it so all are prepared. Think through scenarios of what can go wrong, such as an accident, physical injury, missing person, sudden illness, or sudden weather or water emergencies.
