

Welcome to Your Service Team Role!

We are SO excited you have chosen to be part of a key element of the Girl Scout experience in your community! Volunteers are the heart of Girl Scouts, and we are happy to have you on board in this role. As a Service Unit Team member, you are a direct representation of Girl Scouts. A well-functioning service unit increases awareness about the Girl Scout Movement, supports Girl Scout volunteers in the area, and increases the reach of Girl Scouting through membership, service, hosting events, and providing programming. These actions are critical to sustaining and expanding the Girl Scout Movement. Thank you for taking this step into leadership with GSNI, and we look forward to seeing the amazing things you do!

Service Unit Juliette Mentor

As a Juliette Mentor, you will collaborate with the Service Unit (SU) Team and the Membership Engagement Specialist (MES), so you are not alone in your role! A Juliette Mentor provides guidance, support, and encouragement and play a critical role in connecting Juliettes to their larger Girl Scout community. It is a team effort!
