

Welcome to Your Service Team Role!

We are SO excited you have chosen to be part of a key element of the Girl Scout experience in your community! Volunteers are the heart of Girl Scouts, and we are happy to have you on board in this role. As a Service Unit Team member, you are a direct representation of Girl Scouts. A well-functioning service unit increases awareness about the Girl Scout Movement, supports Girl Scout volunteers in the area, and increases the reach of Girl Scouting through membership, service, hosting events, and providing programming. These actions are critical to sustaining and expanding the Girl Scout Movement. Thank you for taking this step into leadership with GSNI, and we look forward to seeing the amazing things you do!

Service Unit Volunteer

As a Service Unit Volunteer, you will collaborate with the Service Unit Team to lend a hand when and where it's needed. Your support helps to ensure the service unit functions efficiently to provide support, share resources, and plan events for its members. It is a team effort!

What a Volunteer Does

How a Volunteer Does It

Share their skills in a positive and helpful way.	Discover gaps or unassigned tasks where you can use your special skills and talents.
Support and encourage the team to accomplish their tasks and achieve goals.	Discuss with the team what their vision is for the year and how you can best assist them.
Enhance the team's performance by providing additional volunteer support.	Relieve other volunteers by taking on specific tasks or activities to achieve service unit goals.
