Please Join Us!

We meet on the 2nd Tuesday of every month from 6:30-8:00 p.m. via Teams.

We start our meetings with an intro, talk about our agenda, and then break into subgroups to discuss ideas and actions we can take to make GSNI a welcoming environment for all. We welcome youth members to join us in our conversation!

We understand everyone has busy lives, so we don't require attendance at every meeting, so don't feel you have to commit to each session.
