

Cookie Craver

For Girl Scouts who have more customers and want to keep working towards a Cookie Package Goal after Initial Orders!

Thursday, February 12—Saturday, March 21, 2026
Council Cookie Cupboards and designated Volunteer Cupboards

Parents or Troop Cookie Chairs/leaders may bring a [Cookie Craver Submission Form](#) to a designated cookie cupboard to receive cookies for additional orders. Payment is due at the time of the submission/cookie pick-up. The form is linked above and available at www.girlscoutsni.org/cookieresources and [Rallyhood](#).

- Girl Scouts collect additional cookie orders from customers. Payment is collected at the time of the customer's order. Cookies for online Digital Cookie orders cannot be submitted as part of this activity.
- Complete the [Cookie Craver Submission Form](#) and bring with full payment to a designated cookie cupboard.
- If inventory is not available at the cupboard to complete the order, payment due will be adjusted to match cookies issued.
- Payment will be processed at the Resource Center store or by the volunteer Cupboard Manager.
 - Credit/debit card **only** is accepted for payment at designated volunteer cupboards.
- The Cupboard Manager will pull the cookie packages needed, count out with the Girl Scout/adult and issue a receipt for the cookies received. **Note:** Toffee-tastics may not be available at the cupboards. As inventory runs low at cupboards towards the end of the season, all varieties of cookies are at the risk of being unavailable.
- Girl Scouts with a Cookie Craver submission of 18+ packages will receive the Goal Getter patch at the time of the submission. Multiple Cookie Craver submissions may be made, but only one patch will be issued.
- The Cupboard Manager enters eBudde transactions to give credit to the Girl Scout towards rewards and the troop credit towards troop proceeds. Cookie Craver orders cannot be entered into eBudde in advance like a typical cupboard order or the troop will be double charged.
- The Girl Scout will deliver the cookies to customers in a timely manner.
