BFF Ferret Catcher Instructions

- 1 Use the template provided and cut along the dotted line. With blank side up, fold the square into a triangle. Unfold and repeat with the other corners. Unfold.

- 2 Find the center of the square. With blank side up, fold four corners to the center point.

- 3 Flip and fold the four corners to the center point.

- 4 Fold the square in half and unfold on both sides. This makes a crease so you can form the catcher easier.

- 5 By placing the thumb and forefinger of each hand under the flaps, the catcher will open and close.

- 6 Start the game. Girl Scouts can move the catcher back and forth a desired number of times. When a number is selected, a joke or fun fact is revealed.
