## 6. Reports

You have four reports to view that can help you manage your girl’s Digital Cookie activity.

- *All Order Data* will show you details on every order for every girl.
- *Initial Order* (If applicable) will show you the initial paper order card entry by the parents to allow you to compare what is in the baker software if desired.
- *Cookie Badges* will let you know if girls are completing any of the Cookie Business badges and/or the Family Entrepreneur Pins. Encourage them to complete these with their families to increase their cookie program learnings!
- *Rewards Selection* will be helpful if your council has enabled girls to select their rewards in Digital Cookie. You simply pull this report and enter their choices in to the baker software without needing to track down each choice for each girl in the troop.
