

# Rewards — Poll

## Explore a forest of rewards

Create a bamboo forest and attach images of the rewards items to the stalks. Girl Scouts can vote for the items they'd like to earn by cutting and adding a leaf to the stalks displaying their favorite items.

Want real-time results? Create an online poll to project on a screen or wall. Girl Scouts can vote and instantly see the crowd's favorite rewards!

### Supplies:

- Green paper
- Green streamers
- Markers
- Tape

### The sweet payoff:

Choosing their favorite rewards will motivate Girl Scouts to set specific goals — and make a marketing plan to earn them.
