### Workplace and Network Order Station Box

### Sell cookies in your network.

Make a box to collect order info at a Girl Scout Cookie<sup>™</sup> Order Station. You can decorate the box to look just like you or decorate the box with the fun cookie artwork in the toolkit to attract potential customers. Girls can ask permission from their parent/guardian's workplace to set up an order station. Make sure to find a place that is not accessible to the general public—only people you or your parent/guardian know.

### Supplies:

- Paper bags, construction paper, yarn. Anything you can find around the house and upcycle!
- Pens, crayons, colored pencils, paint or markers
- Recycled paper plates, shoe box or tissue box
- Tape or glue
- Scissors

### Steps

- Find a box. It can be a tissue box which has a slit in it or, with adult supervision, cut a slit into the top of a shoebox or delivery box.
- 2 Cover it with construction paper or paint it Girl Scout green.
- 3 Make your Girl Scout face! You can use pieces of felt or paper, grocery bags and yarn. Or paint! Get creative! Does she have arms? Is she waving "Hello, Girl Scout Cookies® are here?!"
- Make a set of shoulders and neck with cardboard or something thick enough to hold the head up. Make sure it goes all the way down to the bottom of the back of the box.

- 5 Affix the shoulders to the back of the box with glue or strong tape. Affix the head to the neck. Affix arms if you have them.
- <sup>6</sup> Print out cookies and "Order Girl Scout Cookies Here" sign on 8.5in. x 11in. printer paper. Or make your own cookies and sign. Sign can be affixed to the front or propped up with a popsicle stick. Be sure to let people know the station is for buying Girl Scout Cookies. Be sure to include your personal goal so customers know what you're working towards.
- Order slips or email information slips can be printed on 8.5in. x 11in. printer paper then cut down to size. Set slips and a pen or pencil next to your box at your order station.
