

Why Participate?

When you help your troop participate in the Fall Product Program, you are helping Girl Scouts gain independence and confidence, all while building social and practical life skills toward their future. Through the Fall Product Program Girl Scouts not only learn **Financial Literacy**, but through these **Five Skills** are progressively gaining an **Entrepreneurial Mindset**.

- **NEW** Troops that sell a total of \$2500 during Fall Product Program and a 200+ cookie package PGA (Per Girl Scout Average of Girl Scouts selling) during the 2025 Cookie Program, will receive an additional \$.05 per package of cookies in troop proceeds.
- Customers can order online the same nut and candy items listed on the paper order card without paying shipping costs or any additional service fees!
- Troop participation is a required element of the GSNI Honor Troop Program and required to conduct any additional money-earning activities (see page 12 of troop manual).
- Troops participating in the Fall Product Program help their Service Unit (SU) earn bonus money. Each service unit that meets its Fall Product Program goal will receive bonus funds of 1% of total sales for the service unit.

M2OS

- One software system, for Girl Scouts and troops, for order management of both online and offline orders. Fully mobile responsive design (i.e. works on your cell phone or tablet)!
- Girl Scouts/parents can enter offline orders directly.
- Spanish options are available throughout the site.

For Girl Scouts/parents, M2OS is not just a platform for taking online orders. We **HIGHLY RECOMMEND** all participating Girl Scouts login with their parent and set up their M2OS account. From M2OS, each Girl Scout can create a personalized M2 Avatar! Girl Scouts/parents can also manage the sale by entering paper order card (offline orders), choosing rewards, viewing sales stats, find important program dates/information and activities, as well as send customized emails, Share My Site (social media links), and invite friends and family to support Girl Scouts' program goals.

Troop Leaders/Product Chairs with Girl Scouts must initially login to the M2OS admin site and Girl Scout site separately, but once this is completed volunteers will be able to toggle between the two sites to access everything for the troop and Girl Scout(s). From M2OS, Troop Leaders/Product Chairs can monitor Girl Scout activity, manage orders and rewards, create your own M2 Avatar, send email messages to all Girl Scouts/parents in the troop, post messages for Girl Scouts/parents to view on their dashboard, and more!
