Hacky Sack Safety Game Instructions

1 Set up the empty cookie packages in a row on a table. Run a piece of tape down the back of the package and onto the table so it doesn't fall off when knocked over.

2 Take a few steps back and place a piece of tape on the ground where Girl Scouts can stand.

3 Let Girl Scouts take turns throwing the hacky sacks at the cookie packages until they knock one over. Once they knock one over, give them a safety tip to read to the group.

4 Set the packages back up as needed until all Girl Scouts have gone and all the safety tips have been read. Recap all of the guidelines one more time at the end to reinforce them.

Bonus:

Help Girl Scouts keep safety tips in mind by taping them to the back of their cookie menu lanyards.

Call in Captains!

Girl Scouts® Cookie Captains can help set up the game, teach others how to play and share any additional safety tips they recommend.
